Position Open: Chamber of Commerce Executive Director:

The Greater Newport Chamber of Commerce is seeking qualified applicants for the Executive Director Leadership position. This position is expected to provide visionary leadership and strategic direction for the Chamber under the guiding principles of promoting, advocating, connecting, and educating our local businesses and community.

The Executive Director is responsible for working with the Board to develop a comprehensive “Program of Work” to support the membership’s needs. Additional responsibilities include the development and management of the Chamber budget, fundraising, membership growth, volunteer development, event coordination, and leadership of the Chamber staff. Successful applicants must be proven leaders with the ability to work independently, collaborate with other development groups and governmental officials, understand the needs of the membership, and deliver results.

Qualifications include a Bachelor’s degree or equivalent experience in business administration, public administration, marketing, etc. Previous non-profit or community leadership experience preferred.

About the Chamber:

The Greater Newport Chamber of Commerce is a voluntary organization of business and professional men and women who have joined together for the purpose of promoting the civic and commercial progress of our community.

The area's economic well-being is directly related to the caliber of work that is carried out by the Chamber. Therefore the Greater Newport Chamber has a major impact on business, income, and future growth of the area.

There are two primary functions of a chamber of commerce: 1) it acts as spokesman for the business and professional community and translates into action the collective thinking of its members; and 2) it renders specific services of a type that can be most effectively provided by a community organization, both to its members and to the community as a whole.

Further, the Greater Newport Chamber of Commerce serves as the Destination Marketing Organization and Visitor Center under contract for services with the City of Newport.

Objectives of the Chamber:

1. To coordinate the efforts of commerce, industry and the professions in maintaining and strengthening a sound and healthy business climate in the Newport area.
2. To sponsor aggressive programs of work and stimulate activities and community events that will provide for full development and employment of our human and economic resources.
3. To provide creative business leadership and effective coordination of all interested parties in solving community problems and in initiating constructive community action.

POSITION OBJECTIVES AND PURPOSE

The Executive Director is the chief paid executive and administrative and financial officer of the organization. He/she is responsible to the Board of Directors for the full range of Chamber activities: coordinating the program of work;

monitoring organization structure and procedures; interpreting policy; motivating volunteers; managing the budget; employment, training and supervision of staff; maintaining favorable membership relations; ensuring proper maintenance of the Chamber facility; and long-range planning.

The Executive Director is the chief voice and face of the Chamber and operates the Chamber with an external focus to include public/member relations, strategic planning, and lobbying activities.

ESSENTIAL FUNCTIONS

Director role

- Serves as the chief spokesperson for the Chamber and communicates the organization's position on community, public and political issues. Coordinates the development and maintenance of positive relations with community decision makers, and at meetings of local, state and national organizations.
- Develops, maintains and carries the responsibility for the Chamber's strategic and annual tactical plans. Through the organization's committee structure and an annual review process, ensures these plans reflect the current needs of the membership while supporting the Chambers mission statement and long-range strategies.
- Cultivates and maintains positive member relations. Continually "sells" the Chamber to motivate and influence others on the positive attributes of Chamber involvement and consistently maintains a dialogue with the members to discuss organizational direction and purpose.
- Leads the development of the Chamber budget, consistent with established program goals. Oversees all expenditures within the budget framework. Ensures the preparation of accurate, timely, monthly financial statements with detailed information relating to departments, programs and activities.

Chamber Board

- In concert with the Board of Directors, and through a respectful working relationship, the director carries the responsibility for execution of policies adopted by the Board and ensures policies are properly recorded, and when necessary, assists in the interpretation of such policies.
- Supervises the preparation and distribution of Executive Committee and Board meeting packets including recording and providing minutes.

Management

- Hires and manages all aspects of the Chamber staff and ensures employees are properly trained for their positions and provided with appropriate information related to programs and internal activities. Identifies and removes barriers which may prevent employees from functioning in an efficient, effective manner.
- Develops and maintains, as required, the Chamber's personnel administration system, which includes the following: compensation/classification plan, performance appraisal program, and operations/policy manuals and personnel files.
- Carries the primary responsibility for bidding projects, major purchases and the establishment of service and maintenance contracts, including required maintenance and ensures the Chamber is an efficient operation as an attractive "front door" to the community.

The preceding statements are intended to describe the general nature and level of work being performed by individuals assigned this classification. They are not to be construed as an exhaustive list of all job duties

performed by personnel so classified.
